Egg Freezing & IVF Package (5 Years)

Female fertility is significantly influenced by egg quality, with age being a critical factor affecting this quality. With advancing age, the quantity and quality of a woman's eggs gradually decline, which impacts her reproductive capacity.

By preserving eggs at a younger age, women can maintain their fertility, providing greater flexibility in family planning and increasing the likelihood of successful conception in the future.

HK\$ 188,000

Service Targets

1. Women (single or married) who wish to delay childbearing for personal reasons and preserve their fertility potential by storing their eggs at an appropriate age for future use.
2. Women diagnosed with gynaecological conditions and need to go through medical treatments or surgery that can potentially affect reproductive ability, are advised to consider egg freezing prior to treatment to preserve their fertility.
3. This package offers extended storage duration, to provide a carefree option.

Terms and conditions

1. All treatment items of the package have to be within the same cycle.
2. Patients should pay for the extra charges for the extra straws if there are more than 20 eggs (or more than 10 straws).
3. Failure to execute embryo transfer within five years, the remaining fees for the program will be converted as five-year egg storage fee.
4. Surcharges apply for consultation or egg collection surgery on public holidays or non-office hours.
5. First instalment of the package fee, **HK\$50,000**, has to be paid on or before the cycle commenced. The rest of the payment, **HK \$138,000** has to be paid before egg collection surgery.
6. All fees are non-refundable after payment, including self-withdrawal or cancellation of treatment after the cycle has commenced or if the surgery is cancelled due to suboptimal ovarian response.
7. The package price is for reference only. HEAL Fertility reserves all right to revise the package content and the price. Please contact our clinic staff if there are any inquiries.
8. In case of disputes, HEAL Fertility reserves the right of the final decision.

Package includes
