In-vitro Fertilisation (IVF) Package

According to the laws of Hong Kong, IVF treatment can only be offered to legally married couples.

Couples should, therefore, present their marriage certificate upon registration.

HK\$ 108,000

On your first visit to HEAL Fertility, please prepare

1. The original copy of the marriage certificate: Couples married in Mainland China must provide two certificates of the husband and wife; Couples married overseas must provide the original local marriage certificate and the HKSAR Government translated certified copy in English or Chinese.
2. The Identity proofs of the couple (HKSAR or Chinese ID)
3. The original copy of the Exit-Entry Permit (Only for Mainland Chinese patients)
4. Any related medical reports

Terms and conditions

1. All treatment items of the package have to be within the same cycle.
2. Patients should pay for the extra embryo straws and storage fees within 3-6 days of the embryo collection process.
3. Surcharges apply for consultation or egg collection surgery on public holidays or non-office hours.
4. First instalment of the package fee, i.e. \$48,000, has to be paid on or before the day of cycle commencement. The rest of the payment, i.e. \$60,000, has to be paid before egg collection surgery.
5. All fees are not refundable in all circumstances, including self-withdrawal or cancellation of the treatment.
6. The package price is for reference only. HEAL Fertility reserves all right to revise the package content and the price. Please contact our clinic staff if there are any inquiries.
7. In case of disputes, HEAL Fertility reserves the right of the final decision.

Package includes

1. Doctor consultation, ultrasound, and blood tests for hormonal level during egg stimulation cycle (up to 4 times)
2. Basic stimulation medications during the cycle
3. Egg collection surgery
 - Surgeon fee (unlimited egg number)
 - Anaesthesia and anaesthesiologist fees
 - Laboratory fee
4. In-vitro fertilisation (IVF)
 - Intracytoplasmic Sperm Injection (ICSI) (2nd Generation) or conventional IVF insemination
5. Laboratory fee for embryo culture and freezing
 - Up to 3 embryo straws. Each embryo straw can store up to 2 embryos.

Package excludes

1. Doctor consultation and fertility consultation and body check before the stimulation cycle
2. Embryo storage fee
3. Embryo transfer (fresh and frozen embryo)
4. Other nutritional supplements and medicines

Add-ons

1. Embryo freezing fee for extra straws: **HK\$2,000 per straw**
2. Embryo storage fee: **HK\$1,000 per month / HK\$10,000 per year**

In-vitro Fertilisation (IVF) Package (Standard)

According to the laws of Hong Kong, IVF treatment can only be offered to legally married couples.

Couples should, therefore, present their marriage certificate upon registration.

HK\$ 150,000

On your first visit to HEAL Fertility, please prepare

1. The original copy of the marriage certificate: Couples married in Mainland China must provide two certificates of the husband and wife; Couples married overseas must provide the original local marriage certificate and the HKSAR Government translated certified copy in English or Chinese.
2. The Identity proofs of the couple (HKSAR/ Chinese ID or Passport)
3. The original copy of the Exit-Entry Permit (Only for Mainland Chinese patients)
4. Any related medical reports.

Terms and conditions

1. All treatment phases must be completed within the same cycle.
2. Surcharges will apply for consultations or surgeries conducted on public holidays or non-office hours.
3. If an extension for a visa is required, please notify our clinic staff in advance. Our physician can provide the necessary documents for the Hong Kong Immigration Department.
4. First instalment of the package fee, i.e. **HK\$50,000** has to be paid on or before the commencement of the cycle. Second instalment i.e. **HK\$80,000** has to be paid before the egg retrieval surgery, and the remaining balance of **HK\$20,000** is due before the embryo transfer.
5. All fees are non-refundable after payment, including self-withdrawal or cancellation of treatment after the cycle has commenced or if the surgery is cancelled due to suboptimal ovarian response.
6. Package pricing is for reference only. HEAL Fertility reserves all right to revise the package content and the price. Please contact our clinic staff if there are any inquiries.
7. In case of any disputes, HEAL Fertility reserves the right to make the final decision.

Package includes

1. Pre-cycle fertility consultation, physician examination, ultrasound and blood tests prior egg stimulation cycle.
2. Doctor consultation, ultrasound, and blood tests for hormonal level during egg stimulation cycle (up to 5 times).
3. Basic stimulation medications during the cycle as prescribed by the doctor (including long-acting injections; exclude other nutritional supplements and medicines).
4. Egg collection surgery
 - Surgeon fee (unlimited egg number)
 - Anaesthesia and anaesthesiologist fees
 - Operating room fee
5. In-Vitro Fertilization (IVF) and Embryo Culture
 - Intracytoplasmic Sperm Injection (ICSI) (2nd Generation) or conventional IVF insemination.
6. Embryo Transfer (Fresh or frozen embryo transfer for one time)
 - Surgeon fee, medication fee, and operating room fee.
7. Embryo Freezing
 - Laboratory fee (includes 3 embryo straws, each embryo straw can store 1-2 embryos).
 - Embryo storage duration (1 year).

Add-ons

Embryo Storage Fee

- **HK\$3,000** / 3 months
- **HK\$10,000** / year

A 10% discount is available for extending embryo storage after the initial year period.

Embryo Freezing Fee for Extra Straws

- **HK\$1,500** / straw
